

We missed you. Welcome back!

It has been our privilege for ten years to serve you while maintaining the highest standards of food quality, safety and cleanliness and we are excited to open our doors (again) and welcome you back. The support you have shown us during these trying times has been incredible and we are so grateful. Tano and I wanted to take a moment to explain our promise to you in our efforts to do our part to combat the spread of Covid 19 and protect both you and our Tano family.

**Safety is our priority.** Some of these protocols include:

- We have removed tables and chairs to allow for a minimum of 6 feet clearance between tables.
- We clean and sanitize all high touch areas every two hours and all tables and chairs between seatings.
- We are utilizing disposable menus.
- We conduct daily wellness and temperature checks on every employee before each shift to ensure they are symptom free. We require all employees who are coughing, sneezing or have a fever to STAY HOME.
- All employees must wear face coverings (except those exempted) and wash hands between tasks or every 30 minutes.
- Hand sanitizer has been provided for both guests and employees and is stationed around the restaurant.
- We are working to implement a contact - less payment system.
- We are proud to partner with the Ohio Restaurant Association regarding best practices and have posted the Ohio Restaurant Promise in the buildings. You may also read the promise here

**Outside dining only** May 19-20 (weather permitting). We cannot take reservations for outdoor seating.

**Indoor Dining will begin on May 21.** Seating will be limited due to social distancing protocols. We encourage reservations for tables. Bar seating will be available on a walk in basis. Reservations can be made by visiting our website at <https://foodbytano.com/>
